

Dear Mr. Gilderson-Duwe,

Attached please find the cost estimate for the projects you have requested. These estimates are just for budgeting purposes. A more detailed thorough estimate will be prepared if and when needed.

Hiker Monument.....\$7,500.00

Carl Schurz Monument.....\$6,000.00

**Project?s Total.....\$13,500.00**

**Any stone/pedestal work that may or may not needed is not in our scope of work. Our cost is strictly for the bronze objects.**

**We anticipate 2 weeks for the completion of this project (weather permitting).**

If both sculptures were to be treated at the same time under one contract you can deduct \$1,000.00 of the total (\$13,500.00 - \$1,000.00 = **\$12,500.00**) plus we will provide you with an assessment/condition report for all the sculptures in Oshkosh (approximately 10 objects).

If you have any questions, suggestions, comment or you just wish to discuss any aspect of this proposal, do not hesitate to contact me.

Respectfully,

Venus Bronze Works Inc
