

Oshkosh Public Library Position Description

Position: Head of Information Services

Classification: Managing Librarian

Department: Information Services

Date: July 2019

General Purpose

The Information Services Department assists adults and teens by helping connect them with reliable information on any topic. The Information Services Department provides information via the Reference Service Desk on the library's second floor; online resources; public programs both inside and outside of the library building; and outreach opportunities in the wider community. The Head of Information Services is the leader and manager of this department. The person in this position is responsible for aligning the provision of information services with the library's strategic goals and for managing the department's staff resources to effectively provide these services. The Head of Information Services is a member of the library's management team and the leader of the library's Public Programming Team.

Supervision Assistant Director for Public Services

Supervises Public Services Librarians; Public Services Assistants

<ul style="list-style-type: none"> • Attend and constructively participate in team or planning meetings as required by the Library Director. 	<ul style="list-style-type: none"> • Consistently attends meetings and contributes in a constructive and collegial spirit.
<ul style="list-style-type: none"> • Participate in organizational planning and decision-making as a member of the library's Public Service Improvement Team. 	<ul style="list-style-type: none"> • Continuous updating of policies, progress on strategic plan goals, resolution of public service issues, development of service improvement proposals.
Continuing education	
<ul style="list-style-type: none"> • Continually refresh knowledge of areas of professional expertise as well as issues and trends in public librarianship. 	<ul style="list-style-type: none"> • Personal and professional development goals are set in the annual performance review with the Library Director. • Progress toward development goals is demonstrated during performance review meetings.

KNOWLEDGE, SKILLS AND ABILITIES

- Commitment to helping adults and teens progress on their lifelong learning journey.
- Knowledge of current practices and developing trends in librarianship, specifically the areas pertaining to reference and information services, public programs and services for teens and adults in the general public.
- Knowledge of the use of integrated library automation system, especially online public access catalogs (OPACs) modules.
- Knowledge of principles and practices of library management and administration.
- Knowledge of principles and practices of personnel management.
- Coaching skills, including the ability to clearly and patiently explain how and why department tasks are to be performed.
- **A commitment to mentoring employees; a desire to help library employees develop their professional and personal knowledge, skills and abilities.**
- Above average computer skills including confident use of personal productivity software (word processing, spreadsheet, email, calendaring, presentation). Skill in the operation of library automation software, and web browser software, content management software for the public web site and internal blogs;
- Ability to work confidently in high-pressure, fast-paced environment. Able to prioritize tasks for oneself and department employees; ability to effectively delegate tasks to maximize the productivity of the department.
- Skill in communicating effectively and sensitively with people from diverse backgrounds; successfully negotiating situations where customers – whether external or internal -- are upset.
- Ability to adapt to change; willingness to teach and learn new ways of doing things, including new technologies.

REQUIRED EDUCATION AND/OR EXPERIENCE

Master's Degree in Library Science (MLS) from a program accredited by the American Library Association (ALA).

Three to five years of experience working in a library reference and/or adult services department.

Experience supervising employees or providing leadership to task teams or projects.

Experience planning and executing programs or events.

TOOLS AND EQUIPMENT USED

Typical office equipment, computers and software including computer workstation, calculator, fax machine, photocopier, telephone, and printers. Also, equipment necessary for providing library collections, programs and services in a developing environment of networked digital information transfer: projectors, flash drives, portable devices for reading ebooks and listening to downloadable audiobooks, digital cameras, and mobile theater systems. Building security systems including fire safety equipment

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this position, the employee may be required to stand for extended periods of time; talk and hear; use hands to dial, handle, or feel objects or controls; and reach with hands and arms. The employee may be required to kneel, walk, stand, bend, twist, push and pull. Position requires employee to be able to push carts and lift boxes weighing up to 50 pounds.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this position.

The noise level in the work environment is moderate. Most work is indoors; however, when called upon to represent the library in a community outreach capacity, the person in this position may encounter variable noise levels and work environments, including outdoor settings.

Occasionally, when acting as a member of the library's management team, the person in this position may be called upon to perform duties to assure the health or safety of others that fall well outside the typical tasks of the position. For example, the person in this position may be called upon to clean up blood or other bodily fluids (while taking proper precautions against infection by blood-borne pathogens); shovel snow; or salt an icy sidewalk.

SELECTION GUIDELINES

Formal application, rating of education and experience; oral interview; background check; and job-related tests may be required.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

This job description does not constitute an employment agreement between the employer and employee. It is subject to change by the employer as the needs of the employer and requirements of the job change.
